

***"The more you know about the Past, the better you are prepared for the Future." Theodore Roosevelt***

The **Highlander Booster Club** is beyond excited to begin a tradition for our school and community that we feel will bridge a gap from the past to the present. The Lake Wales community is deep rooted in its love for everything "Highlander". If you are from this area, you wear the tartan plaid or orange and black colors with sincere pride. If you are new to the area you can't help but yearn to be a part of these traditions. Our group has developed a Hall of Fame Committee that is working to plan for this grand inaugural event that we will title "**Highlander Hall of Fame**". The event will take place at **Lake Wales Country Club** on **Saturday, May 4, 2019** at a cost of \$50. There are other sponsorship levels available. If you are interested see the post about sponsoring this event. This will be a night to recognize individual LWSHS alumni, living or deceased, who have distinguished themselves as outstanding representatives of any LWSHS athletic team through accomplishment, leadership, support, service and/or character.

With this being the very first Highlander Hall of Fame ever, we are looking to make this a colossal event. During this event we look forward to inducting 3-4 alumni, having a silent auction, 50/50 raffle, and an elegant dinner. Nominations are being accepted from any member of the school community and must be submitted by March 15th for induction consideration. We are so excited about this event and hope that becomes an anticipated event for the Lake Wales community for years to come!
