

LWHS UNIFORM EXPECTATIONS

Lake Wales HIGH SCHOOL

We believe as a school community that our attitude about what we do or how we feel about ourselves is often influenced by what we wear. We are proud of our efforts to serve a diverse population of students. The uniform expectation is one method we use to level the playing field for all students who attend Lake Wales High School. Adhering to a common uniform expectation can also serve to develop a strong sense of community and school pride. This is also a safety issue; if someone is on campus without a uniform, we know they are not officially part of this school. Use the rule of good judgement.
